Dear Reverend Roever:

I would like to express how grateful I am for your visit to our wounded warriors. Your message of hope, triumph and dedication truly motivated our soldiers. You brought a spirit of healing to this hospital that only your personal story could have provided. The soldiers, medical professionals and family members continue to discuss the positive impact you gave them through your message. Thank you for taking the time to come to Brooke Army Medical Center to encourage our wounded warriors.

Please also convey my appreciation to your team and family. It was such a pleasure to work with all of them. I look forward to your next visit and hope to work with you again soon.

Your ministry truly reflects the spirit of the Army chaplaincy's motto "FOR GOD AND COUNTRY."

Sincerely
