Dear Mr. Roever:

I want to thank you for not only coming to speak at III Corps Prayer Breakfast, but also for taking the time to meet with me. Your reputation for being an inspirational and informative speaker, indeed, preceded you and we were not disappointed. You are a true inspiration and role model to the Soldiers of III Corps and Fort Hood.

Thank you once again for taking the time to speak at our Corps Prayer Breakfast and also to meet with me. We were incredibly happy to have you here and please know you are always a welcomed guest here at Fort Hood.

Sincerely,

Raymond T. Odierno
