Dear Mr. Roever,

It was such a pleasure having you speak at the 77th National FFA Convention in Louisville, KY, on October 30, 2004. I know you've spoken to our members in the past, and it is always such a privilege to have you address them. We always look forward to seeing you and hearing your story.

This year, our national convention had a record attendance of more than 51,000 youth. Many of these students adjusted their travel arrangements so they could be present for your keynote. Your message was one of courage and inspiration. It was a message we were happy to have you share with our members.

Thank you so much for all you do for the National FFA Organization.

FFA is a national youth organization of 476,732 student members preparing for leadership and careers in science, business and technology of agriculture with 7,223 local chapters in all 50 states, Puerto Rico and the Virgin Islands. FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. Visit www.ffa.org for more information.

Sincerely,

Kristy Meyer
